The Court orders that the motion for extension of time to file an answer to the motion to remand is GRANTED. The answer that was received with the motion is accepted for filing.

The Court orders, under the authority of MCR 7.216(A)(7), that the motion to remand is GRANTED. The matter is REMANDED to the circuit court to allow for the reinstatement of the remaining portions of the contempt judgment. Proceedings on remand are limited to the issues as raised in the motion to remand.

Within 14 days of the Clerk's certification of this order, plaintiff-appellee shall file a motion in the trial court to initiate the remand proceedings. **The trial court is to hear and decide the matter within 28 days of the Clerk's certification of this order.**

This Court retains jurisdiction in the cause, and the time for proceeding with the appeal in this Court begins upon issuance of an order in the trial court that finally disposes of the remand proceedings. The time for proceeding with the appeal begins 14 days from the date of certification of this order if the motion to initiate the post-conviction proceedings is not filed in the trial court within the 14-day period.

Defendant-appellant is to file with this Court a copy of any motion filed in the trial court within 14 days of the Clerk's certification of this order. Defendant-appellant must also file with the Clerk of this Court copies of all orders entered on remand within 14 days after entry.

Appellants may file a supplemental brief raising any issues arising out of the remand proceedings within 21 days after the entry of the trial court's order concluding the remand proceedings or within 21 days of the filing of the transcript of the remand hearing, if any, which ever is later. Appellee may file a supplemental brief in response within 21 days of service of appellants' supplemental brief, if any.
